Participants, status and acceptance of the privacy policy

We know that you are anxious about your personal data and how these data are going to be used, so we want to assure you that Mix. Rent treats your personal data carefully. This Privacy Policy (hereinafter referred to as Privacy Policy) describes how to collect, store, use, delete and manage personal data and anonymous data (hereinafter referred to as "information"), which you provide to us or we collect in connection with you being a user of the ICO website Mix. Rent, available at <http://ico.mix.rent/> (hereinafter referred to as "the Site"), as well as services, mobile applications, products and content.

By using the Site you accept Privacy Policy and agree that your personal data, including personal information will be processed. If you do not accept the terms of Privacy Policy, you must stop using <http://ico.mix.rent>. This Privacy Policy applies to the ICO website of the Mix.Rent project. The Site does not control and is not responsible for any websites of third parties which you can open following the links available on the ICO website of the Mix.Rent project.

Definitions

Privacy Policy uses the following terms:

"Personal Data" is any information related to an identified or to-be-identified individual (data subject) according to which this individual is possible to be directly or indirectly identified. Such information includes name, location data, online identifier or one or more factors that characterize this individual's physical, physiological, genetic, mental, economical, cultural or social identity.

"Processing of personal data" means any action (operation) or set of actions (operations) performed with the use of automation or without the use of such means with personal data, including collection, recording, systematization, accumulation, storage, refinement (updating, modification), extraction, use, transfer (distribution, granting, access), depersonalization, blocking, deletion, destruction of personal data.

"Confidentiality of personal data" is a mandatory requirement for an Operator or any other person who has access to personal information to prevent their distribution without the consent of the subject of personal data or the presence of other legal base.

"The ICO website of the Mix.Rent project" is a set of related Web pages, placed on the Internet under a unique address (URL): <http://ico.mix.rent/>, as well as its subdomains.

"Cookies" is a small piece of data sent by a Web server and stored on a user's computer, which the Web client or Web browser sends to the Web server each time in an HTTP request when it tries to open the corresponding site page.

"IP Address" is a unique address that identifies a device on the Internet or a local network and allows the system to recognize other systems connected via the Internet Protocol.

Any personal data provided by the ICO website of the Mix.Rent project is controlled by Mixrent LP (hereinafter referred to as "Mix. Rent"). Privacy Policy refers to the personal data collected by Mix.Rent in connection with the services we offer.

This Privacy policy also covers the marketing content of the Mix.Rent project, including service offerings and advertisements about the services we (or the service provider acting on our behalf) send to you via third-party sites, platforms, and applications based on information about your use of the sites. These third-party sites generally use their own privacy policies and terms of use. We kindly ask you to study these documents before you start using these sites.

You are not obligated to provide Mix.Rent with the personal data that we request, but if you refuse to provide them, we may not be able to provide you with our services, as well as provide high-quality service or respond to your questions.
